My mandatory / direct appeal has been ruled on. I do not want any more appeals filed on my behalf by any of my legal team.

My team could file a 'Petition to Cert to the Supreme Court', but I do not want them to. They want to do all they can for all my appeals, and I appreciate their efforts, but it is my choice and I want to waive all the rest of my appeals.

Also, I do not want a PCR lawyer issued to me. I want to be served with my Death Warrant and to be executed as soon as possible. I understand that by not pursuing PCR, this will speed up my execution. I am fine with that. I have already had two psych evaluations (Before and during my trial) and both separate doctors found me to be of sound mind and fully capable of making decisions for myself.

Please issue a Death Warrant (Execution Warrant) for me as soon as possible.

Thank you.
