

City of Phoenix

OFFICE OF THE MAYOR

May 21, 2018

Cris Meyer
City Clerk
200 West Washington Street, 15th Floor
Phoenix, Arizona 85003

Dear Clerk Meyer:

After serving nearly six and a half years as mayor, I will resign this incredible job as mandated under Arizona's resign to run law. My resignation will be effective at Noon on Tuesday, May 29.

Our city is in strong shape and I am proud that we have put Phoenix on the most positive trajectory of any large city in America. During my tenure as mayor, our City Council has made wise fiscal and economic choices. We have made strategic investments in innovation, education, biosciences, health care, trade, arts and culture, and transportation. Together, we have made Phoenix one of the most welcoming communities in the country – because we know our growing diversity is our greatest strength. And through smart planning and electoral success, our civilian retirement system is on a path to sustainability.

Serving the people of Phoenix, both as member of city council and as Mayor, has been a great honor for my family and me. I have confidence that with the ongoing leadership of the Phoenix City Council and City Manager Ed Zuercher, Phoenix will continue on its positive path.

I look forward to new opportunities to serve the people of Phoenix and our entire community.

Very truly yours,

Greg Stanton
Mayor
